PERSONALITIES

In Gratitude We Dedicate

Mrs. Helen Hollar
Mr. Allen Harness

To be considered a good teacher is an academic honor. But to be a friend reflects the ability to inspire confidence and to understand human nature.

The Senior class has been fortunate to have two good teachers and good friends—a preceless combination.

To the persons who have always had the interest of their students close to their hearts, Mrs. Helen Hollar and Mr. Allen Harness, we, the Class of '64, dedicate this book.

Fern Russell
District Secretary

This past year New Paris High School became a part of the Fairfield Metropolitan School District. The district was formed by resolution of the three trustees of Benton, Clinton, and Jackson Townships of Elkhart County; and came into being upon receipt of an official letter from the State Reorganization Committee on October 17, 1963.

The trustees organized the new board at their first official meeting on Thursday, October 17, 1963.

The name of the new district was chosen after the three trustees had asked school students, teachers, and patrons for suggestions, and was officially adopted at the first meeting on October 17, 1963.

CLASS HISTORY

Our Freshman year we were initiated into the joys and tribulations of high school life in our newly expanded building. We had two class parties, a roller skating party at Syracuse and a swimming party during the summer at Tom Rock's.

We started our Sophomore year by ordering our class sweaters. For our Sophomore party we had a hayride with a square dance afterwards. This wouldn't have been so bad if it hadn't rained the last couple of miles on the hayride. Oh well—man the umbrellas. Our money making projects included selling chocolate candy bars and two car washes during the summer.

Our Junior year was off to a flying start with magazine sales, followed in quick succession by candy sales, two sock hops, and concessions at the basketball games. In the midst of this "mad house" we ordered our class rings and presented our Junior Play "We Shook the Family Tree." The grand finale of the year was our prom, "Wonderland by Night." The banquet and dance were held at the Elcona Country Club followed by the movie, "Yellow Canary," at the Elco in Elkhart, with an early breakfast at Doug Swartzendruber's home.

Finally—SENIOR YEAR—the year we had long been anticipating Senior pictures, graduation announcements, a fish fry, two senior sponsored sock hops, assembling of the yearbook, and the Senior Play, "Home Sweet Homicide," were among the many activities which crammed our senior year. Thru the year anticipation grew as plans developed for our senior trip to Washington D. C. (May 9 thru 11). Also during this year came the "controversial call" by the referee by which we beat Goshen (or did they beat us?).

Our high school career has been guided and inspired by our sponsors, Mrs. Helen Hollar and Mr. Allen Harness, and by our version of a Franklin Roosevelt—Fred Schrock, who served as our president for four "terms."

Baccalaureate on May 17, and Graduation on May 21, 1964 culminated our high school career.
